**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I chose Sonic Internet, a local provider, because of their excellent customer service and reliability. When I call for support, an actual person who is located near me actually responds and is very helpful.

Competitive pricing for broadband is critical to my home due to a fixed income.

Thank you.
