**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen Sonic as my provider because of the service they offer and the price. They use fiber and this is superior to what a offered by ATT, which had n nothing but problems.

I have been truly happy with the service and the people at Sonic.

The people at Sonic are the best. They are local and easy to call. They always spend time walking me through anything that comes up.
