**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have had so many bad customer service experiences with AT&T that I am thrilled to have another provider that can bring us fiber internet. My provider is Sonic, and their customer service has been outstanding. My husband works at home most days and our high speed internet is essential to his career success.

Please dont eliminate the competition. Sonic provides reasonably priced, amazingly fast, fiber internet and removing competition basically gives AT&T a monopoly. I thought the USA stood for competition and against unfair monopolies?

Sincerely

Karyn Baker
