**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I hate ATT and they are already the only game in town. Please let independents like Sonic. Net have a very small share of the competition. It is unreal to me that shouldn't be obvious that in a free market small guys need a voice too. Att already is KING in San Francisco and I keep getting increased fees each and every year. I do noot what my internet bundled with them no matter how great the deal sounds. Keep the competition. Let independents have a piece of the internet pie as well.

Sincerely,

shila clement
