**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am an extremely satisfied customer of Sonic, one of our local high speed internet providers. Their service is outstanding, their upload and download speeds are much better than my previous provider. My broadband access through the Sonic fiber network is outstanding.

I urge you to keep competition alive and well - do not give in to the pressure from big phone companies to deregulate.
