**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Don't you dare interfere with my Sonic!

I support broadband competition -- it's critical to my business and home use. Sonic is the most reliable service I've ever used, both for phone and internet. AT&T was a disaster, and if anything, we need more competition, not less. NO price hikes that will increase the cost of internet and phone services, please.

I live in a city but my friends who live in a rural community rely on local broadband providers.
