**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Sonic.net is a local competitive provider. They provide my internet and landline service. I recommend them to all my friends. They are wonderful. I am a senior citizen (80) and often need help with technical issues. They pick up the telephone within seconds, I don't have to wade through a phone tree in order to speak to a person who actually speaks English, is patient, knowledgeable, and solves my problem every time. PLEASE! Save them!
