**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer of a small company internet and phone service and would like to continue!!!

I support broadband competition across all companies. Do not allow large companies to control the market!

In my small community many of my neighbors subscribe for the same service as I do and we all express our opinions and satisfaction from our internet service local media.

Dont let monopolies control our market!
