**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have used a small broadband company called Sonic.net for 10 years, getting much better prices and service than I had before with large telecom companies. Please do not allow the big companies like AT&T and Verizon to destroy competition from small companies, leaving me with no choices. That is absolutely un-American and will hurt everyone.

Thank you.
