**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please keep the current 1996 Telecommunications Act in tact. I'm a multi-carrier user, and I've found higher service/support and ethical service availability via this which allows me to access competitive providers networks directly, which otherwise would not be available, and am grateful for the service each day.

Having this in place is encouraging competition, and innovation, and the access has been used responsibly in the marketplace and is still vital.
