**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is very important to me that we retain the ability to have competition in the internet service provider market. It is crucial to my work and family to be able to have reliable and fast internet at home at a reasonable price. Please support competition and do not lock us in to just one or two providers with poor quality of service.
