**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I was with ATT for ages, but got sick of paying so much for such crummy service in the center of San Francisco. I switched to Sonic because they were the only people who would just let me buy internet... unbundled from all the other garbage ATT and Comcast make you buy. I just have plain DSL from them, and it works fine.

I understand that you are considering rules that may put them out of business. I will definitely be materially affected by such a turn of events.

When is reducing competition ever a good idea?
