**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen a competitive provider for telephone and internet service because the price is lower than what the large companies charge and the company that provides the access is local. Their service is excellent and the price is very reasonable. I do not want to have to pay for poor service from a big corporation as I have to do for television. Comcast raises its price every month. Sonic, my local provider of telephone and internet does not do that.
