**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are Sonic customers because we believe in diversity. All segments of business and community should represent a variety of choices for individuals. Without choice, we become stagnant.

Both members of our household are lower income and appreciate that our service is reasonably priced. We also strongly believe in a free internet.

We also chose a smaller provider for our phone service and we use landlines in our home.
