**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are an ordinary consumers in San Francisco. We are using Sonic as our internet service provider. Sonic gives us an option of choice while these providers improve the competition of the market. In addition, these small local providers create plenty jobs in our communities. Please do not let the Big corporations to control our market and let all the small providers to compete in the market.

Regards,
