**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We moved from a neighborhood in San Francisco with limited internet options (Comcast/ATT Cable), to one with small provider options (Sonic Fiber). The change in service is night and day - in addition to faster speeds, the customer service from Sonic is amazing, and costs are less. This competition is crucial to ensure providers are always improving service!
