**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please support broadband competition. I am a household and small business consumer of a local broadband company and absolutely prefer to have the additional choices and options competition allows. I have had only one option before and was very unhappy with my choices. However since switching to a local provider, I am much happier with my service and the pricing available.
