**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a Sonic.net customer for both Internet and phone services for several years now. Sonic offers services to clients like me in San Jose, California 95120 area at a cost cheaper than AT&T (for Internet and home phone service, using DSL). Broadband is critical for service in our area. I am elderly person of 82 years old and I cannot afford to pay higher charges by AT&T. I am against price hike by AT&T, etc. Please keep broad band service from Sonic.net without increasing the internet and telephone service costs.

Thank you.

Yours sincerely,

Delampady Bhat
