**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We support the broadband competition in order to provide good quality services for Internet and landline, for a very reasonable price.

Please allow Sonic to continue to provide the excellent service to my home and to many of us that are already semi retired or are fully retired and have a limited income.

I have no reason to pay AT&T the overpriced fees that they charge for internet and telephone!!
