**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider for my residence because it provides superior broadband service than anything the incumbents (AT&T and Comcast) provide, and at a lower overall cost. This kind of service is vital to my home and my home office, where I do nearly all my work. My landline phone is provided by the same competitive provider.

It would materially harm me and many others similarly situated if only incumbent providers were available.
