**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business person and I rely on services with copper cables. I support broadband competition. I say NO to price hikes that will increase the cost of internet and telephone services. I like my provider Sonic.net and appreciate the opportunity for competition. I also have competitive telephone service.
