**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic because they provide the best speeds at the best prices. They depend on access to copper infrastructure to stay in business. Sonic's services enabled me to start a business out of my residence. Without competitive internet providers we would have had less money to spend on fueling this business and improving the local economy. Please don't ruin this for us.

Thank you for keeping our communication infrastructure running!
