**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a consumer and dont want the internet competition alternatives changed, I believe this allows for diversity to meet consumer and business demands, if we take this away we risk quality and have no checks and balances. Please make sure to allow competition to continue to thrive in our unique capitalist economy and not go the way of a monopoly like many former Soviet bloc countries.

Sincerely,

Nathan Mellin
