**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition.

I previously had an home internet connection with Comcast, which was very slow and very expensive. Today I have a fiber connection with a local provider, Sonic, which is super fast an half the price of Comcast!

Sonic also provides me with competitive telephone service as well.

Please do not take any action that would lead to increases in the cost of internet and telephone services.
