**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We use a competitive telecom provider. As a senior citizen who must still work full time, I need telephone and Internet service to do my job. AT&T is too expensive for telephone and Internet service. Even though we have a competitive telecom provider, that has not restrained AT&T from raising rates. Plus, we do not have fiber service in our area so our only option is wireline service which AT&T is trying to kill with higher and higher rates. We need reasonably priced basic services.
