**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a small business owner, I rely on broadband internet for almost ALL of my communications. Even in an urban area like Berkeley California, no telco offers gigabit fiber to my office except one local provider. For years I had competitive DSL service, but not we are much more productive with high-speed fiber.

Please do not vote to cut-off competition. Don't let big corporate money influence you to vote against capitalism. Let everyone compete.
