**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We will be material affected if you dismantle key components of the 1996 Telecommunications Act. We rely on Sonic ISP for our broadband access who use unbundled copper and inter-city fiber transport elements (UNEs) to compete in the residential marketplace.

They help keep the prices down for our internet access, which is necessary for when I work from home.
