**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I support broadband competition. I live in a small town (Benicia, CA.) I have a small, local ISP, and a small, local telephone provider, both of which I really like. We used to have AT&T, but they were unresponsive and unsatisfactory. We do not want to go back to working with larger companies. My wife and I need broadband for our work. Please get us back to true net neutrality.
