**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not give in to pressure from the big guys by dismantling important pieces of the 1996 Telecommunications Act. I use Sonic as my internet provider, a small competitor in midst of some serious sharks with bad reputations. Sonic provides strong, helpful Local support for any issues, and has competitive prices.

Competition is the key to quality service and reasonable rates. Customers like me need access to companies like Sonic that use UNEs.

Thank you,

Deborah Dethier
