**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have often been frustrated by the near-monopoly that AT&T has in the Bay Area. I was all too glad to have Sonic come along as a competitor in my area.

It's baffling to me that the FCC wants to create easier conditions for the larger telecoms to limit options for the consumer. Do your duty as public servants, and not servants to big money.
