**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Internet competition is the same as any market in the United States. There MUST be competition!

Local competitive carriers are the same as supporting your local food market over the huge national chains.

Listen to the people, not the mega-corporations!!!! For God sake, this is America!
