**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer that believes in the free market and supports broadband competition. I get 1 gig fiber optic internet service because of competition.

The US is behind other countries who have faster internet to all their citizens. A faster internet is better for business and the economy.
