**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a Los Angeles resident who currently uses fiber service for my home internet, but without continued access to copper lines, I will be affected by USTelecom's attempt to dismantle these lines. I enjoy my current internet service and do not want that service to be interrupted by this decision.
