**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential customer of a small, local ISP (Sonic). Please don't force them out of business. I literally can't get service as good as Sonic's from ATT, Verizon, nor Comcast at my house. I assume the reason I can't get service as good as Sonic's for an even remotely similar price from the large telecom companies is that they don't need to compete since they are happy to collect their monopoly rents from markets that don't have local broadband competition. Please don't make this easier for the large telecom companies.
