**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a subscriber to the ISP Sonic for almost twenty years, when they were a small regional player. All that time, they have provided reliable, comprehensive services at a competitive price. Sonic is consistently ranked at the top of ISP service providers.

The reason I stay with Sonic is this superior service, which I know I cannot get from big telecom companies. Their broadband service is critical to my at-home business.

Please don't give the big telecoms what they want! No price increases! Support competition in the marketplace.

Thank you,

Tom Dill
