**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please do not eliminate broadband. We need to keep rates reasonable and having choices is the way to do that.

I had DSL in the past, but the rates got so high I could not afford to keep DSL. I am very happy with my broadband provider!

I live in a rural area but in the city limits so I have the choice of DSL or Broadband, but many of my neighbors do not have this choice. It is broadband or no internet for them.

Please keep broadband.
