**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am one of the residential subscribers who would be affected by deregulation. I have fiber optic service through a local provider, Sonic. They do a great job of protecting me from spam and robocalls, unlike AT&T. Their prices are competitive, and their internet is fast, fast, fast! Why would I want to have fewer choices? Please consider the rural/small town residences and do not deregulate.

Thank you,

Cynthia Spigarelli
