**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We are very happy with our current broadband supplier, Sonic. They provide us with both broadband and telephone communications at a price a small fraction of our only competitors AT&T and Comcast. Without access to real competition, our communications services costs would skyrocket, resulting in a significant impact on our budget, a serious consideration as we are both retired and on fixed incomes.

Sincerely

James Hassberger
