**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic.net instead of ATT because I was consistently overcharged, treating poorly when having service problems, and at the mercy of a giant company who had no reason to care when there were issues. They knew they had no competition and that they didn't have to up their service.

I don't want to have to rely on a giant corporation that is out of touch with their customers. Sonic is reliable, responsive and all the things that ATT was not.

We need competitive providers, not monopolies.

Thank you.
