**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My internet service is via copper wire, as I believe are many other Americans.

Do the right thing, and don't accept polished version of reality served up to you by AT&T reps.

Listen to Dane Jasper from Sonic.net, he is a true American Hero!

The AT&T claim that residential consumers will not be affected, because there are no carriers who use unbundled copper is false. Please take the time to investigate for your self.
