**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I'm a retired person who needs and depends on a competitive broadband service. I'm fortunate to have a reasonable local provider. I now have fiber. Please don't destroy my remarkable local service and hurt local entrepreneurs.

We're supposed to support local businesses and local creativity. Isn't the way our system should work?

Many thanks for your consideration.
