**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I choice Sonic as my internet provider as soon as they were available in my area after a long and unsatisfactory relationship with AT&T. Sonic provides me with much better service, way faster download and up load speeds and greater bandwidth. I now have Fiber whereas before I have DSL I need you to allow more competition in my area, not less. Broadband is critical to my home so I can continue to communicate with my grandchildren and take care of my investments. I oppose this petition before you and encourage you to deny it.

Thank you.

David Hodges
