**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. As a residential Sonic customer, I will be materially affected if the petition is granted.

I do rely on the fiber services Sonic provides so that I have the access to fast, affordable internet and phone service provided.

Having a competitive market ensures that I will have access to better prices. and able to choose the best possible service at the best possible price (like Sonic). I am opposing the petition so that consumer as myself would not be limited Sonic's ability to deploy more fiber (their most innovative services).

Thank you for your attention.

AC Lee
