**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a residential customer of a local and independent internet provider and I want to stay with them. I want them to continue to be able to provide me with their excellent service at an affordable rate.

I don't know all the tech speak but I do know that an open and competitive market is a very good way to make sure the needs of everyone are met.

I am sick and tired of giant businesses taking over everything from independents to our government and politics. Just knock it off!!!! and leave the competitive market alone!!!
