**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have chosen Sonic to be my internet provider. They offer far better service at a very competitive price and have terrific customer service. In all respects they have been heads above my previous accounts with AT&T and Comcast. Their fiber optic offering is fast, reliable and a pleasure to use, unlike the erratic service from Comcast and AT&T.

And what a pleasure it is to call them with a question and have someone (a real person, no less!) answer the phone quickly and without the maddening, useless and deliberately customer unfriendly phone tree!
