**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have used DSL connection in the past and I was very happy with it. Now I live in an area where I don't have a competitively priced option, adding to the financial struggle. I'm using Comcast now and the speed is nowhere near what's promised in the contract. I don't really have any other viable option though so I'm stuck. Is this really what Free market means?
