**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a San Francisco residential phone and internet customer. I have chosen Sonic as my provider. I like this company because their prices are competitive, the quality of their product is very good, and their customer service is exceptional. I appreciate that I can call Sonic and speak to a live person without being put on hold for excessive periods of time as has happened to me in the past with a USTelecom provider.

I am opposed to the proposal to dismantle key components of the 1996 Telecommunications Act and thereby restrict my access to competition in the marketplace.

I like doing business with Sonic, and do not want to loose my relationship with them.

Please do not make any changes to the 1996 Telecommunications Act.
