**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer and small-business owner. I use a small, independent ISP, Sonic. They provide great service and fiber speeds to my home/office for FAR less than Comcast was charging me. Please DO NOT KNUCKLE UNDER to lobbying pressure from the big telecoms and ISPs, like ATT and Comcast/Xfinity. Please DO NOT vote to eliminate competition in this space! I support broadband competition, and I hope that you will NOT vote to take a giant step backwards, and reward the bloated companies that are trying to snuff out competition in this space.
