**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I've been a Sonic subscriber for a few years now and can't emphasize enough how much better service I get from them compared to what I used to get from Comcast.

This comes in form of actual better, more reliable and faster internet service as well as tens times better customer service.

This has a huge effect on our personal lives as well as our work, as we tend to do a lot of work from home on nights or weekend.

Actually, their service is so much better than when we moved apartments last year, we specifically looked for places that had access to Sonic. We simply couldn't think of getting back to Comcast.
