**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a consumer who supports broadband competition. I switched to a smaller local provider because they provide me with better, faster, internet service that is vital to my small business.

Affordable completion is vital to small business people like myself.

The DSL provider I had previously had slow internet in my area and terrible customer service. Without completion, we will be stuck with subpar service, even in a major city such as the one I live and work in.
